

general viticulture

Sat, 09 Feb 2019 16:46:00 GMT general viticulture pdf - Viticulture (from the Latin word for vine) is the cultivation and harvesting of grapes. It is a branch of the science of horticulture. While the native territory of *Vitis vinifera*, the common grape vine, ranges from Western Europe to the Persian shores of the Caspian Sea, the vine has demonstrated high levels of adaptability to new environments.
